We need School Kits & Emergency Clean-up Buckets

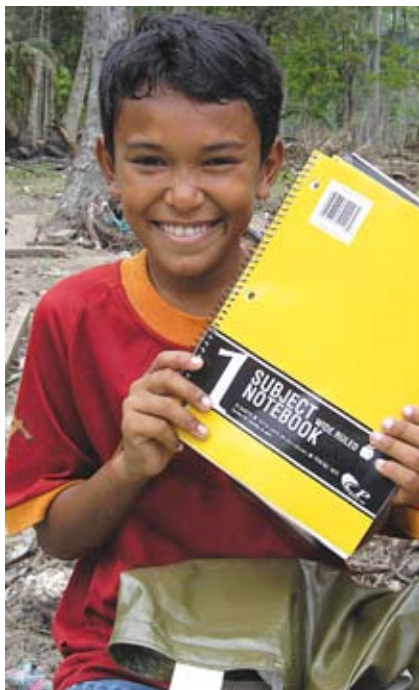

The need is great! Our overseas partners are requesting CWS School Kits as children prepare for the new school year. Requests are pending for Liberia, Pakistan and Moldova. And with tropical storm and hurricane season upon us, we anticipate a large call for Emergency Clean-up Buckets from our U.S.-based partners.

Can your congregation, vacation Bible school, or other group help us replenish our supply of these vital recovery kits?

It's easy. Both kits contain readily-available items. School Kits contain blunt metal scissors, three spiral notebooks, a ruler, a hand-held pencil sharpener, an eraser, six new pencils, and a box of 24 crayons – all packaged in a lightweight canvas bag with cloth handles.

Emergency Clean-up Buckets include scouring pads, sponges, a scrub brush, cleaning towels, dry laundry detergent, liquid household cleaner, disinfectant dish soap, clothespins and a clothesline, latex gloves, work gloves, trash bags, dust masks and insect repellent – all in a 5-gallon bucket with a resealable lid.
